

Lameness

Sloan's Liniment is a speedy, reliable remedy for lameness in horses and farm stock. Here's proof.

Lameness Gone
"I had a horse sprain his shoulder by pulling, and he was so lame he could not carry foot at all. I got a bottle of your Liniment and put it on four times, and in three days he showed no lameness at all, and made a thirty mile trip beside."—*Walter B. Starford, La Salle, Cal.*

For Splint and Thrush
"I have used Sloan's Liniment on a fine mare for splint and cured her. This makes the third horse I've cured. Have recommended it to my neighbors for thrush and they say it is fine. I find it the best Liniment I ever used. I keep on hand your Sure Colic Cure for myself and neighbors, and I can certainly recommend it for Colic."—*S. E. Smith, McDonough, Ga.*

WOMAN REFUSES OPERATION

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Logansport, Ind.—"My baby was over a year old and I bloated till I was a burden to myself. I suffered from female trouble so I could not stand on my feet and I felt like millions of needles were pricking me all over. At last my doctor told me that all that would save me was an operation, but this I refused. I told my husband to get me a bottle of Lydia E. Pinkham's Vegetable Compound and I would try it before I would submit to any operation. He did so and I improved right along. I am now doing all my work and feeling fine.

"I hope other suffering women will try your Compound. I will recommend it to all I know."—*Mrs. DANIEL D. B. DAVIS, 110 Franklin St., Logansport, Ind.*

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.
Write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it.—*Adv't.*

How "Teetotaler" Originated.

Teetotaler, the term applied to an abstainer from all fermented liquors, originated with Richard Turner, an artisan at Preston, England, who, contending for the principle at a temperance meeting in 1833, asserted that "Nothing but te-te-total will do." The word was immediately adopted.

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period. (adv't)

World's Finest Organ.

Made in 1825 by the master artisan, Nicolaus Mandschiet, and described as the finest instrument of the kind in the world, an organ has been purchased abroad by an American dealer, who is said to have paid \$100,000 for it. The purchase is linked with the name of Henry C. Frick. The instrument is of large cabinet size, with a keyboard about three feet long. The case is richly carved and inside is the maker's portrait and inscription giving his age and the honors accorded him. The organ was found in an old chalet in the Ardennes region of France, where it is said to have rested for 200 years. It is supposed to have been seized by a French officer at the time of the Thirty Years' war. Saint-Saens played on it some years ago and pronounced it the finest he had ever touched.

YOU MAKE FRIENDS BY RECOMMENDING A RELIABLE KIDNEY MEDICINE

Your representative called at my door yesterday, meaning to leave a sample of your noted Swamp-Root, and I am certainly pleased to see any body connected with the firm who makes a medicine which has done so much for me and my family. A few years ago I was suffering from a terrible pain in my back, and when I was up around the house I had to walk with my body bent nearly double. If you had placed a thousand dollars above my head I could not straighten up to get it.
Hearing of Dr. Kilmer's Swamp-Root, I sent you for a sample bottle, and from the effects of that small amount I was sure it would help me, so I bought one bottle and it has cured me.

Shortly after that my husband, who was a coal miner, was suffering from kidney trouble and could not work, and I sent for some of Dr. Kilmer's Swamp-Root. He was in a terrible condition, but as the doctors had not given me any relief, I had more faith in Swamp-Root, and it was well founded, for it did the work, and after taking a few bottles he was completely cured.

I daily recommend the use of Swamp-Root to my friends and neighbors.

Sincerely yours,
MRS. JOHN NORDQUIST,
Galeton, Penna.
